*Selected Forum Summaries*

*from the Planning Institute of Australia (WA) Urban Design Chapter 2012-2014*

A short book of snapshots on topical planning and design issues from the Urban Design Chapter's Forums 2012-2014. The book touches on the history of design in WA, the rise of Liveable Neighbourhoods, the emergence of placemaking as a design endeavour, and speculations of future directions.

Featuring précis by

Malcolm Mackay (*"Beauty: Is She Dead Or Just Sleeping?"*),  
Evan Jones (*"The Making of WA's Liveable Neighbourhoods"*),  
Tony Blackwell (*"Streets as Open Space"*),  
Kylie Legge (*"When Public Open Space Is Not Enough"*),  
Julian Bolleter (*"Killing Two Birds With One Stone"*) and  
Chris Melsom (*"Next Generation Cities"*)... and many more
